

CERTIFICATE OF ATTENDANCE

2022 REGION VII STUDENT CONFERENCE

The **American Institute of Aeronautics and Astronautics (AIAA)** is the world's largest technical society devoted to the global aerospace community. AIAA Student Conferences represent the aerospace industry's most important conference venues for students in the aerospace field to learn, network, and present their research in front of an audience of peers and professional members.

This certificate attests that

Jonathan van Zyl

Delft University of Technology
